STEWARDSHIP SUNDAY

Chapel of the Good Shepherd
Purdue Episcopal Campus Ministry

Proper 26 - 4 November 2018

The disciples said to him, "Where are we to get enough bread in the desert to feed so great a crowd?" Jesus asked them, "How many loaves have you?" They said, "Seven, and a few small fish." - Matthew 15:33-34

For many undergraduates, college is their first time having to figure out how to be stewards of their own resources. "Where are we to get enough?" is often asked about time, money, sleep, research, internships, and, for some, even food. Our campus ministries model Jesus' stewardship by helping them ask each other, "What do we have?" and encouraging them to share out of what seems scarce, trusting that God's abundance will be revealed. These become habits of generosity that our students will take beyond their college years into the rest of their lives. Thank you for modeling your own generous answers to Jesus's question and by showing that there is, indeed, enough.

What Is Stewardship?

Our personal response to God's generosity in the way we share our resources of time, talent, and money. Stewardship reflects our commitment to making God's love known through the realities of human life and our use of all that God has given us. It is also our service to God's world and our care of creation. Parish members are encouraged to make an annual stewardship pledge. This pledge represents their specific Christian commitment to "work, pray, and give for the spread of the kingdom of God" (BCP,p.856)
